O R D E R

Though strictly a review application is not maintainable, the grievance is that the party has not been supplied still with a copy of the order. If it is true, there is non-compliance of the direction of this court. Therefore the Sub Court, Ernakulam may report why it was not in a position to issue the copy of the order as directed by this court. The order was given by this court only to enable the party to get appropriate relief from the appropriate forum. Since it is submitted that the copies are not yet received, I am inclined to extend the direction given by me to stop the issuance of a cheque for a further period of two weeks. The learned Sub Judge shall send his report within a period of 10 days from today.

R.P. is disposed of accordingly.

M.N.KRISHNAN, JUDGE
